Water Conservation

We are experiencing another water drought year in our area. Please be conscientious of water use and avoid over watering outdoors. Avoid watering for hours or overnight. We need to do everything possible to preserve our ground water levels. Thank you!

Bunco

Bunco will be held the second Wednesday of each month at 6:30pm. All residents are invited. The cost is \$6.00. Please call Mary Cox #22 at 301-2482 if you are interested.

LADIES GATHERING

Thursdays 10:00 to 12:00
at the Clubhouse

**CANCELLED UNTIL
FURTHER NOTICE**

Prescription Drug Disposal

In order to provide a secure, confidential and environmentally safe way to dispose of unwanted prescription drugs, we have a collection container at the Madrone Hill office. Unwanted prescriptions can be brought to the office. We will take them to the police department for disposal. Prescriptions may be in the original packaging. Packages and personal information are incinerated by the police. They will not accept liquids, syringes or inhalers. Please call the office with any questions.

Yard Clean up time

It's time to clean up our yards and porches. We are glad to pick up small amounts of yard debris in containers or on tarps. For larger amounts of yard debris please contact the office a few days ahead of time to schedule having the trailer delivered to your home. Thank you.

COVID-19 SAFETY

We are taking the following precautions to keep our community safe:

The office and clubhouse require face masks at all times. Rent checks and other documents can be deposited in the "Office Drop Box" located in the clubhouse parking area. This box will be checked daily Monday-Friday, with the exception of the days that the office is closed. Please call the office with any questions.

The Clubhouse is open and all door handles, light switches, faucet handles, washers, dryers & toilet flushing handles are being sanitized every morning Monday-Friday, with the exception of the days that the office is closed.

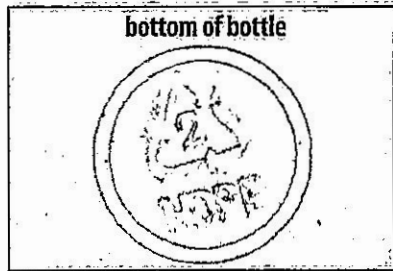

Let's all stay well! Thank you for your cooperation.

How to properly identify accepted plastics

- ✓ Check the shape – bottle and jugs only
- ✓ Check the base = larger than the neck
- ✓ Check the number = #1 or #2 only

Look on the bottom of the plastic container and you will see a recycle triangle with a number in the center.

How to properly prepare for recycling

- ✓ Remove lids
- ✓ Remove contents
- ✓ Rinse thoroughly

Still a bit confused? Let our Waste Wizard help out!

Download our FREE mobile app or visit our website for an easy-to-use waste directory! Search a material and see which cart it should go in, where it can be recycled or dropped off for reuse.
