Apology from John

We apologize for shutting the water off 30 minutes early on April 14th. We were anxious to do the work and started the work early. This caused a substantial inconvenience for several folks and we apologize. It will not happen again.

This box will be checked daily Monday–Friday. The office is being staffed Monday-Friday 8-1. Please call the office with any questions.

The Clubhouse is open and all door handles, light switches, faucet handles, washers, dryers & toilet flushing handles are being sanitized every morning Monday-Friday.

Grocery Delivery

There are several grocery stores now offering delivery service to our area. Costco, Albertsons & Fred Meyer deliver. More & more stores are offering delivery services. Some deliver for a fee and some are free. We also have a few residents that have volunteered to help those who cannot shop for themselves. Please call the office if you need help getting prescriptions or groceries.

Flushable Wipes?

We recently had a septic line plugged due to disposable wipes. This resulted in raw sewage seeping on to the ground. We can't know how long this went undetected, before we had the line cleaned out. Flushable wipes are causing problems in waste water treatment plants across the country. **Please be mindful that these wipes are harmful for all sewer systems, especially septic tanks. Thank you.**
