Freeze Protection Time

It's time to wrap outside pipes to prevent freezing. Disconnect and drain hoses. Turn off outside water. I am still seeing watering going on some places where it is automatic. DO NOT forget to shut off and weatherize all of your outside faucets

ATTENTION

Please be sure to put landscaping debris in buckets or on tarps for Terry to pick up. This helps him move along more efficiently. If you are having landscaping done professionally, please be sure to call a day or 2 ahead so Terry can leave the trailer there for larger amounts of debris.

COMMUNITY PANTRY

The community pantry is in need of food items. Please no outdated items or opened and partially used items.

If you are in need we do have a few items so please come on down and help yourselves. We have beans, corn, sauces, pasta, cereal, etc.

Thank you to those that were able to donate.

SLASH BURNING

Beginning November 29, 2022 there will be slash burning going on in the hills behind the park. There will be fire equipment and man power at the piles that will be burnt. All burning is contingent on the weather. Keep in mind it may start later than the 29th if the weather is uncooperative.

CHECK RIGS IN RV COMPOUND

We are still having issues with theft of gasoline and some other items in the RV area.

Be sure to periodically check the rigs you have stored in the RV compound. Now that the harsher weather is here it is a good idea to keep an eye on things now that the rigs are not used as much.
