Food Pantry

Just a reminder to those that may find themselves in need that the pantry in the community room is pretty well stocked. Please come on down and help your selves if you need. Thank you to all who have donated so that we can keep the shelves well stocked

Patios, Decks, and Porches

Recently it has been noted some residents have items such as freezers, toolboxes, and appliances on porches, decks, and patios. As a reminder, these items are not authorized to be stored in these areas and must be removed promptly. These items must be indoors or in the storage shed provided. Your cooperation is greatly appreciated.

Rosary Prayer Group

There is a small group that talks on the phone to plan Rosary Prayers & prayer request (remotely) once a week. For more information call:

Community Watch

Our meeting went great. Big thank you to Deputy Bartlett from Jackson county Sheriff Dept. We had a nice turn out. We learned many good things. The first being an app called the Signal App that you download on your phones. This app will allow us as a community to post something if we see something suspicious. We will have another community meeting to show folks how to download this app. It is free, messages are private, and only our community can see them. Another tip was signs in your yard that say "neighborhood watch". You can pick these up at Lowe's. Motion lights was another great hint. We have residents willing to help install these as well. I will follow up with more detail on these issues in the next newsletter. I will be looking into the app for all as well. More info to come.
