## **MADRONE HILL FOOD BANK**

**Help!** There is an abundance of food available. Since the clubhouse gatherings have been cancelled there has been more food being donated and less food being picked up. Please take only what you need. We want to help as many residents as possible.

## **Save the Envelope Save the Paper**

When leaving rent checks or other documents in the Office Dropbox, an envelope is not necessary.

Every month we collect 20 or more newsletters still in the paper boxes. Please contact the office if you would prefer to read the newsletter on the website and stop receiving a paper copy. Thank you!

## **Website**

**[madronehillmobilehomepark.com](http://madronehillmobilehomepark.com)**

Our website is up and running! There are tabs for calendars, newsletters and more.

## **Power Outage Tips**

**Conserve water.** The park has a limited amount of water in a storage tank. This water comes to our homes by gravity. However, once we empty the tank electricity is required to refill the tank.

**To conserve body heat,** everyone should wear layers of clothing and a hat, and use blankets to keep warm. Moving around and staying active will also help to warm you up.

### **Carbon Monoxide and Power Outages**

If you lose power during the colder months, you may be tempted to use an unsafe heating source in your house. This should never be done as it is not only a fire hazard but can cause carbon monoxide poisoning which can be fatal.

**Use flash lights** in the dark, not candles.

**Keep refrigerator and freezer doors closed** as much as possible. An unopened refrigerator will keep foods cold for about 4 hours. A full freezer will keep the temperature for about 48 hours (24 hours if it is half full) if the door remains closed.
