Pets/Strays

We have been getting lots of complaints about pet waste being left and not cleaned up. Please be sure to pick up pet waste immediately.

It appears we have had some cats that have been dumped off. As a reminder please do not feed the strays and report those that are feeding them.

The Clubhouse Is Now Open to Groups

Please contact the office to reserve a date for your group. Thank you.

No Fly Tying Meetings In July & August

A fly tying group from Grants Pass & Medford meets at our clubhouse on the second Tuesday of each month at 5pm. If you are interested in learning to tie fishing flies with the group, please attend. All are welcome. Please call John at 541 840-0183 with any questions. The next meeting :

Flushable Wipes?

We recently had a septic line plugged due to disposable wipes. This resulted in raw sewage seeping on to the ground. We can't know how long this went undetected, before we had the line cleaned out. Flushable wipes are causing problems in waste water treatment plants across the country. **Please be mindful that these wipes are harmful for all sewer systems, especially septic tanks. Thank you.**

WATER CONSERVATION

As our region continues to experience a time of drought, we encourage everyone to conserve water. Please water during the early morning hours and only as needed. Thank you for your efforts.

Prescription Drug Disposal

In order to provide a secure, confidential and environmentally safe way to dispose of unwanted prescription drugs, we have a collection container at the Madrone Hill office. Unwanted prescriptions can be brought to the office. We will take them to the police department for disposal. Prescriptions may be in the original packaging. Packages and personal information are incinerated by the police. They will not accept liquids, syringes or inhalers. Please call the office with any questions.
