## Note from Cathy

It has been my pleasure to serve as the onsite park manager for almost 8 years. I have enjoyed getting to know my neighbors and developing friendships. I have also enjoyed working with John and helping him maintain his standards for our community.

I will be leaving my position as manager in mid-May. I will continue to be your neighbor and look forward to seeing you around the park. Commonwealth is a good company and I believe that the new onsite manager will be a great fit for our community. Thank you for your support.
